## WNC LAUNCHES MANUFACTURING HUB AT SILVER STAGE HIGH

This fall, WNC launched a Manufacturing Technician Training Program at Silver Stage High School in Silver Springs, through Jump Start College.

Equipment for the Career and Technical Education manufacturing technology training program is funded by a Nevada Department of Education Perkins College and Career Readiness grant. The equipment allows hands-on training simulating experiences on a manufacturing floor. Upon successful completion, the 17 participants will earn a WNC Job Skills certificate, OSHA 10 card and up to 20 college credit hours. **READ MORE.**

## GET TICKETS TO 'THE LITTLE MERMAID' ON STAGE
